

## EARIMIL ESTUARY GROUP – EEG

The Mount Eliza Association for Environmental Care will hold a planting Day on Ranelagh Beach Foreshore reserve on 07 MAY 2017.

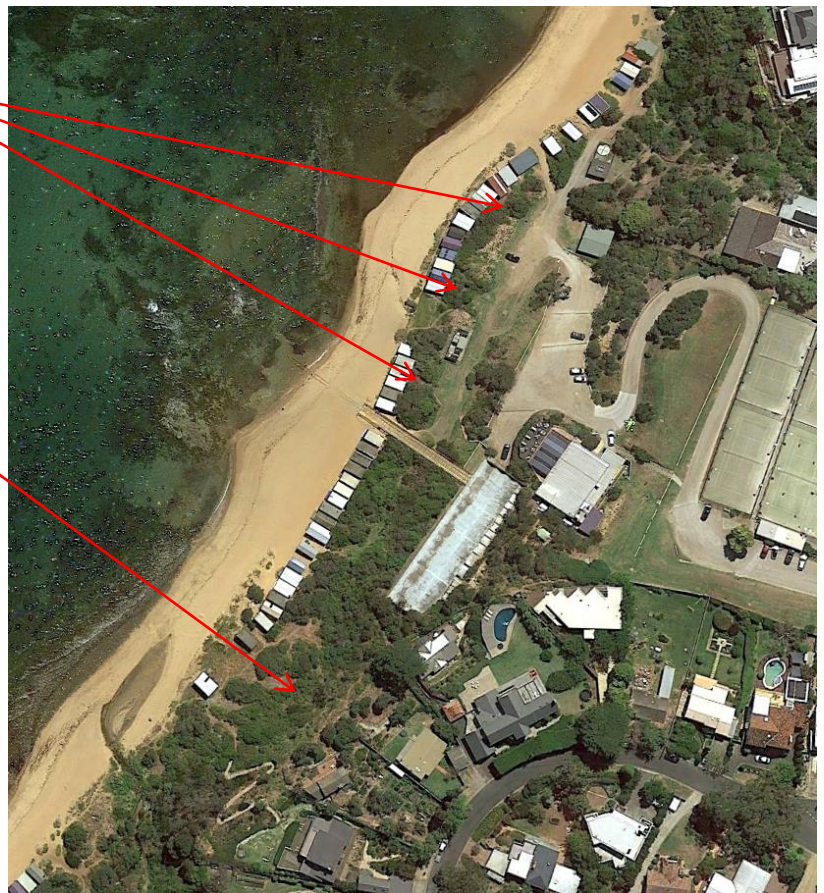

We will work along the Ranelagh Beach Foreshore Reserve extending the area planted in 2015. The Foreshore reserve is crown land administered by the Mornington Shire.

MEAFEC have permission from the Shire to carry out environmental work along the Foreshore Reserve, and have been active in weed control and revegetation works along Mount Eliza Coast for 25 years.

### Proposed Works Area:

1. On the Foreshore Reserve 3 areas close to the Toilet Block - prepared by the Green Army works team under Shire guidance.
2. Foreshore Reserve where the Green Army commenced weed removal in December 2016, and where Meafec have arranged weed removal on ready for planting.

### Planned Works:

Planting of approximately 350 plants purchased from Shire Nursery and plants propagated from seeds collected along the foreshore.

**PLANTING DAY – MAY 7<sup>rd</sup> 10:00-12:00 – MEET ON RANELAGH BEACH at the Toilet Block.**

Bring Garden gloves, Hat and Sunscreen.

Des Berry,

President, MEAFEC      0419 992 939
